

Customer Support Policy

Effective Date: January 1, 2024

1. Overview

Our support team is committed to resolving customer issues promptly and professionally. This policy outlines service levels, escalation procedures, and available support channels.

2. Support Tiers & SLA

2.1 Standard Accounts

- Initial response: within 24 business hours.
- Resolution target: 5 business days.
- Channels: Email, Chat.

2.2 Premium Accounts

- Initial response: within 4 business hours.
- Resolution target: 2 business days.
- Channels: Email, Chat, Phone.
- Dedicated account manager for billing and escalations.

2.3 Enterprise Accounts

- Initial response: within 1 business hour.
- Resolution target: same business day.
- Channels: Email, Chat, Phone, Dedicated Slack channel.
- 24/7 critical issue support.
- Dedicated Customer Success Manager.

3. Priority Levels

Critical

Complete service outage or data loss. Immediate escalation. Response within 1 hour regardless of account tier.

High

Major feature unavailable, significant business impact. Escalated to senior support team within 2 hours.

Medium

Partial functionality impaired, workaround available. Handled within standard SLA.

Low

General questions, minor issues, feature requests. Handled within standard SLA.

4. Escalation Process

- Level 1 — Front-line support agent handles initial triage and common issues.
- Level 2 — Senior support specialist for complex technical issues (escalated after 24h if unresolved).
- Level 3 — Engineering team for bugs and infrastructure issues.
- Level 4 — Executive escalation for critical business-impact situations.

5. Support Channels

- Email: support@example.com (all tiers).
